

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

DANA SCHMELLER,

No. 2:24-cv-01222

Plaintiff,

VS.

11 WALGREENS PHARMACY SERVICES  
12 MIDWEST, LLC d/b/a WALGREENS, a  
13 Foreign Limited Liability Company,

ORDER GRANTING IN PART AND  
DENYING IN PART STIPULATED  
MOTION TO CONTINUE CERTAIN  
DEADLINES

Defendant.

The parties stipulated to the continuance of certain discovery deadlines. Dkt. No. 16 at 3

(requesting continuance of deadlines for disclosing expert testimony under Rule 26, filing discovery motions, and completing discovery). The stipulated motion is GRANTED IN PART and DENIED IN PART.

The Court finds good cause to support a continuance of the following deadlines:

- **Disclosure of expert testimony under FRCP 26(a)(2):** April 25, 2025
- **All motions related to discovery filed by:** May 23, 2025
- **Discovery completed by:** June 23, 2025

However, the Court notes that the parties' proposed dates conflict with other, unexpired deadlines in the Court's scheduling order. *See, e.g.*, Dkt. No. 14 at 2 (requiring parties to file all dispositive motions and motions challenging expert witness testimony by June 23, 2025). The parties have not requested extension of the other deadlines in the case schedule.

As such, the Court VACATES the unexpired deadlines which have not been addressed above. The Court will issue an amended case schedule based on the parties' agreed-upon trial date and consistent with the Court's standard case schedule. *See* Dkt. No. 11/website. If any date in the amended case schedule causes an irreconcilable conflict, the parties shall contact Courtroom Deputy Diyana Staples at [diyana\\_staples@wawd.uscourts.gov](mailto:diyana_staples@wawd.uscourts.gov) no later than 14 days after the amended case schedule is entered.

Dated this 26th day of March, 2025.
